

Empowering Skills Enhancing Lives

*Skilling is building a better India.
If we have to move India towards
development then Skill Development
should be our mission.*

SHRI NARENDRA MODI
Hon'ble Prime Minister of India

*We are committed to Skill India initiative
by playing a major role in skilling the youth
in multiple sectors across the country
through our wide network of skill centers.*

SHRI R. SAI PRASAD
*Managing Director
Datapro Computers Pvt. Ltd.,*

Vision

To further strengthen the DATAPRO in the multi skill development training at National level by enhancing satisfaction level of aspirants and employers, development of dedicated and motivated task force with high ethical norms and innovating courses tuned with demand of the industry.

Mission

To make our country a nation of multi-skilled trained youth by reaching rural India along with the urban population.

To enhance contribution of women in the field of employable multi-skill development training programmes thus making them self-reliant. To build computer literate villages in every district of India.

About us

With the onset of computers' in India, computer competence became the new core skill for the modern workforce, the Datapro Computers Pvt. Ltd. popularly known as Datapro across the country, was established way back in 1990 by two visionaries, viz. Sri R. Sai Prasad and Sri S. Prasad, combination of Technocrat and Entrepreneur to provide affordable and employable computer skills for the masses.

With our trainers qualitative education to the trainees, constructive thinking by the Management and the positive approach towards placements of those trained candidates, within a short span of time, it has emerged as leading multi-skill training provider in the Country covering 14 states-171 centres with 300 plus Trainers.

Datapro, besides being an approved Training Partner of NSDC and having affiliations with as many as 19 Sector Skill Councils, over the years we have trained and placed more than 113204 and 80079 candidates respectively sponsored by various schemes of Central and State Govt. Agencies, training and placements of candidates in active projects, viz. DDU-GKY, PMKVY, Nai Manzil, Surya Mitra, Seekho Aur Kamao, MAEF, MEPMA, NULM, ORMAS, OSFDC, PBSSD, JSMD, SUDA, etc are under-way.

The training programs that are underway includes DDUGKY in Jammu & Kashmir, Jharkhand, Odisha, Telangana Sagarmala in Andhra Pradesh, PMKVY and PMKK in different States, BSDM in Bihar, JSMD in Jharkhand, Nai Manzil in Telangana, PBSSD in West Bengal, NULM in Madhya Pradesh, Chattisgarh and Jharkhand, Surya Mitra and Ustad in Andhra Pradesh, etc.

Quality

Ensuring high standards of skill training through its' experienced Trainers is of utmost important in Datapro Training Centres across the country.

It is also ensures that the candidates upon training are assessed and certified by a 3rd Party.

Curriculum & Methodology

DATAPRO has a standard list of conventional as per NSQF level norms under NOS pattern comprising short and long term courses ranging the duration from 30/45/60/90 days to One year. The training modules are customized to suit to the requirement of every participant and is designed to ensure that students coming from any background can focus to secure a high score.

Training programs tend to focus on all-round development of the student. Personalized attention and guidance help students to gain in-depth knowledge about the skill program they are involved. Faculty who are considered to be our arsenal interacts with every participant to understand individual level of competency in turn to design the curriculum that fits to their requirement. Soft Skills would allow further to the participants to reconcile his their strengths and weaknesses on one hand and on the other to enhance his/her inherent talent to face the competitive world. R&D department relentlessly works on upgrading the course contents for providing effective training and to the betterment of the incumbent.

Quality Measures

Skills always aims to increase knowledge and understanding ways in which digital technology can enhance education through quality service that extends Theory and Practice. Close monitoring to achieve best results in a training, imbibes :

- Attendance of individuals through bio-metric device twice in a day
- Counseling with students and parents thereof in case of regular absentee
- Strict compliance of session plan and the provided time-table.
- Weekly basis exams ascertains as to what extent the student is on track in learning the skills.
- Intensive training to irregular or weak candidates to bring them up to the level of expectations.
- Necessity of Mock Assessment and Mock Placement drives to enhance the confidence levels of incumbents
- Quality of food and maintaining hygienic conditions are to be closely monitored in case of Residential programs.
- Movement Register is to be checked frequently to assess the involvement and interest part of student(s) during the course to training program.
- Implementation of drop-in suggestions that are beneficial and have the element of productivity.

Credentials

29 years of Excellence in IT field out of which 10 years in conducting multi-skill development training in its' centres across the country.

Across the country it has 171 centres in 14 states.

ISO 9001: 2015 certified Multi-Skill Training Company.

First Institute for conducting training programs of MANAS in North-Eastern States.

Certification

Assessment with 3rd party and certification is continuous process after providing successful training to a batch on any offered course through the approved Assessing Bodies of NCVT or through the agencies that are identified by SSC or concerned Project authorities. DATAPRO in course of these 10 years of skill training, have rolled out successfully 4lakh candidates and subsequently provided placements to the extent to 70-80% the organization repute for their livelihood.

Our Affiliations

Mobilization of Candidates

Datapro has made arrangements through its centers for mobilizing the allocated sector for candidates immaterial to caste and creed by Distributing the Pamphlets & Visiting to the community pockets and counselling with candidates and their parents to enlighten the benefits out of acquiring such skills and providing assurance that after completion of the training, would look into the placement aspect even as a benevolent scheme brought in by the Government of India through Ministry of Media (MoMA) so as to generate interest among them. Apart from the above, Datapro have used the social media effectively to draw the attention of the candidates. On interacting with such visited candidates, enrollment activity is accomplished.

The Training Methodology

In true terms, Datapro train and groom students to get employment with much advanced skills required to work in any part of the country. In fact, it has implemented Teaching -Learning process by which the students have the privilege to have more practical knowledge on the subject they learn for employability and professional capability. DATAPRO promotes learning through practical knowledge on the subject they learn for employability and professional capability and professional capability. DATAPRO promotes learning through practical efficiency and result oriented effectiveness. With the help of modern teaching tools like PowerPoint presentations, problem solving sessions, use of Internet, continuous evaluations, state-of-the-art equipments and infrastructure of each training center with builtup area of 2500 to 3500 sqft uniformly along

with skill development method of learning method of learning spread more than 298 centers provides absolute conducive ambience for experimental learning. In addition to IT / ITes/ Banking / Retail / Telecom / MESC / Electronics / Green Job / Logistic / Toursim and Hospitality / Construction and Health Care Sectors as per the Sectors Skill Council Course Curriculum, this value addition programmes are being designed and aimed at carving the career of individual which is considered to be an essential pre-requisite for building up their future. The automated process of administration and operational activities to maintain a close monitoring on the activities of offices and centers on one hand and issue of certifications on the other are absolute solution for giving full meaning to QUALITY.

Few of Our Training Centers

Assessments

We are affiliated with most of the sector skill Councils, to name a few, NASSCOM, ESSCI, TELECOM, BFSI, RASCI, THSC, APPAREL, LOGISTICS, MESC, CSDCI, etc.

As per the protocol, we follow the SSC guidelines to conduct the assessments successfully.

We are also associated with third party Assessing Agency approved by SSC/DGET for conducting the assessments.

Inauguration Photos of our Few Centers

Placement Drive

Under the HR Department, Placement Cell always strives for perfection in exploring the possibilities of employment in the jurisdiction thus extending its part in accomplishing the objectives by the management duly executing the given order in that particular state. So far, DATAPRO has achieved and provided such skill training to the extent of 2 Lakhs candidates and placements to the tune of 1 Lakh candidates in different Units and Establishments. Unless we have tie-ups with potential employers at National level for providing employment & the efforts of Placement Cell under the close surveillance of HR Dept. This achievement could not be possible without their contribution.
